Urban gardening for beginners While Fionna will be the first to tell you she's not actually a Granny in the biological sense, she is most definitely a wise woman of the world who meets all the criteria for anyone's favourite Gran. When she decided to improve her health and grow her own food she had to find somewhere to grow it. Living in urban Auckland severely limited her options. While she ...

Grandmother's Flower Garden is a quilt design that was popularized during the 1930s and has come to epitomize the classic Depression quilt. This design is made entirely of hexagonal patches sewn together to create the look of a field of flowers on a white or green background. This style of piecing together hexagons results in a quilt with a very uneven edge. Impatient quilters have been known ...

In my Granny's garden Was all kinds of green: Okra, peas, corn And the butter bean. Of course, watermelon, And cucumber too. And the sweet potato— All a wholesome view. And such delicious meals Those veggies did yield, From Granny's little garden, By her house, in the field. Poem Submitted: Sunday, April 22, 2012. Rating Card. Granny's Garden. 5,0 out of 5 9 total ratings rate this poem ...

We have a couple of apple trees in our garden; a green apple which is a Granny Smith plus a red variety which is a Jonathon. So far we have had a fairly good harvest of apples this year. The Jonathon apples were ready in late February and it was great eating them straight from the tree on a summers evening. They are all gone now! The Granny Smith (green apple) matures a bit later so that tree ...
