[Archer's Goon - Wikipedia](#)

Shelves: own, favorites, contemporary-fantasy, young-adult, fantasy I don't have a favorite Diana Wynne Jones book; I have a cluster of five favorites and six more second-tier favorites. Of those top five, three were published consecutively, and Archer's Goon is the first of those.

[Archer's Goon: Amazon.co.uk: Jones, Diana Wynne: Books](#)

Diana Wynne Jones has been my favorite author for many years - way before Harry Potter took the stage. I can always depend on her to give my mind and imagination the 'comfort food' of highly imaginative plots combined with the keen human observations and emotional truths of her central character. I've just re-read Archer's Goon and enjoyed it as much as the inquisitive person I am now as I did ...

[Diana Wynne Jones - Archer's Goon - SILO.PUB](#)

This post is part of my Diana Wynne Jones retrospective series. Archer's Goon! Archer's Goon. A book that I've read, like, five times now. The book that derailed my review series... for five years. Otherwise, a delightfully quirky addition to the DWJ canon.

[Archer's Goon Quotes by Diana Wynne Jones - Goodreads](#)

'Archer's Goon' is based on an equally good book by Diana Wynne Jones. It begins memorably enough with the arrival of a big thuggish person called the goon into the Sykes Household. He demands that the father Quentin Sykes (played by Only Fools and Horses's Trigger aka Roger Lloyd-Pack) hands over his two thousand words to Archer.

[Archer's Goon eBook von Diana Wynne Jones – 9780062243409...](#)

As with many Diana Wynne Jones books, Archer's Goon did not immediately take its place in my heart as a DWJ favorite. Because I apparently can't talk about Diana Wynne Jones without saying "She's better on a reread," I'll say it again. There are never too many times to say it! Diana Wynne Jones is better on a reread. And Archer's Goon particularly is better on a reread. The plot ...

[Diana Wynne Jones-Archer`S Goon BOOK NEW | eBay](#)

Archer's Goon by Dianna Wynne Jones – 1984.This edition: Greenwillow Books (William Morrow & Co.), 1984. Hardcover. First American edition. ISBN:0-688-02582-X. 241 pages. My rating: 9/10. Lost a point at the end. Alpha Centauri - seriously?! Total cop-out, DWJ! But that's such a minor quibble - I loved this book - slyly humorous the whole way through....

[Archer's Goon \(Literature\) - TV Tropes](#)

A hugely imaginative and magical novel from the Godmother of British fantasy, Diana Wynne Jones. When Howard Sykes comes home from school and finds the enormous Goon in the kitchen, his life turns upside-down. The Goon has come to demand the two thousand words of nonsense that Howard's father allegedly owes a mysterious figure named Archer. As Howard unravels the truth, he uncovers that ...

[Archer's Goon - Diana Wynne Jones - E-book](#)

Archer's Goon is one of my favorites, too, and it's also one of the absolute weirdest of Diana Wynne Jones's books to me. I love her when she feels completely unleashed and just writes a book that isn't like any other book anyone has ever written — it's not, in other words, the book I'd necessarily give to a DWJ noob.

When the Goon turns up demanding "Archer's 2,000", life turns upside down. As Howard desperately tries to get to the bottom of this peculiar demand, he discovers that the town is run by seven crazy wizards (not all of whom live in the present!) and someone is trying to take over the world! Exciting, bizarre and truly hilarious! ©2012 Diana Wynne Jones (P)2012 HarperCollins Publishers ...

? Diana Wynne Jones, Archer's Goon. I still love both these books and recommend them to parents who want a good read for their children. I was never really aware of the expression YA Fiction until years later and I gather it is doing good things getting teenagers reading. I haven't read a lot of it as there is just so much other stuff to read, but in what I would refer to as "the ...
