

ARGUMENTS ABOUT ABORTION KATE GREASLEY

Dec 05, 2020

[Arguments About Abortion Kate Greasley](#)

Arguments About Abortion: Personhood, Morality, and Law is a book published in 2017 by Kate Greasley, a British lawyer. This book took me by surprise as I didn't hear about it until earlier this year. It also seems to have slipped under the radar, having only one review at the time of this review's writing on Amazon and none on Goodreads. However, I would say, without exaggeration, that ...

[Arguments about Abortion - Paperback - Kate Greasley ...](#)

With an extended analysis of the moral and legal status of abortion, Kate Greasley offers an alternative account to the reputable arguments of Ronald Dworkin and Judith Jarvis Thomson and instead brings the philosophical notion of 'personhood' to the foreground of this debate.

[Kate Greasley, Arguments about Abortion: Personhood ...](#)

The scholars of the contemporary academic abortion debate can be divided into three groups: those who believe abortion is immoral because the fetus has moral status; those who believe abortion is permissible even if the fetus has moral status; and

Kate Greasley. How did you come to be an academic? I studied law as an undergraduate and, like most people who take that degree, assumed at the beginning that this would lead to my working in legal practice. Once more deeply into it, I felt sure that practice wasn't for me. I was fairly good at studying (good enough, anyway!), so I decided to stay on and complete a Masters degree and buy ...

Arguments about Abortion: Personhood, Morality, and Law Kate Greasley Abstract. Does the morality of abortion depend on the moral status of the human fetus? Must the law of abortion give an answer to the question about exactly when personhood begins? Can a law which permits late abortion but not infanticide be morally justified? These are just some of the questions this book sets out to ...

[Arguments about Abortion: Personhood, Morality, and Law ...](#)

Kate Greasley examines not just the argument for and against abortion – she discusses a wide range of seemingly peripheral issue, each highly important on its own. These include 'When is an early human being worthy of strong moral protection? When, if ever, is it justifiable to end life of another human being? And do we possess the fundamental right to life merely in virtue of being ...

[Kate Greasley, Arguments About Abortion: Personhood ...](#)

Greasley begins the central argumentative part of her essay in favor of abortion rights by conceding what she calls the "silver bullet," namely that "if the fetus is a person, equivalent in value to a born human being, then abortion is almost always morally wrong and legal abortion permissions almost entirely unjustified" (5).
