Read just about any intro to home brewing book and you'll find yourself walking the same path I did when I took up this awesome pursuit: buying all the requisite equipment and ingredients for 5-gallon brewing. It was the easiest way to get started. All the recipes I had access to were scaled for 5 gallon brewing, and since I was so new to brewing, I had no clue I had a choice in the matter.

Beginners guide to brewing beer Continue. If you've never brewed a batch of beer, even if you have no idea how beer is produced, this is the guide for you. Why did I write this guide? I put my hand at home brewing for years because I assumed it was hard and that I only ever produced bad beer. As soon as I started, I couldn't believe what I was missing all these years. If I had a guide like ...
