Kant argued that suicide is immoral when committed for the purpose of escaping from unhappiness. I have tried on one or two occasions to reconstruct Kant's argument, by offering a particular interpretation of the Formula of Humanity, which says that a person has a value that makes him an end in himself.<sup>2</sup> The statement that a person is an end, I interpret as expressing the fact that we ought ...

One post Beyond Price: Essays on Birth and Death Deadbeat Donors. I was thrilled about the birth of my new grandson; yet as I held him, just a week after his birth, I wondered how he should feel about that event, or ...

[Beyond Price: Essays on Birth and Death by J. David ...](#)

In nine lively essays, bioethicist J. David Velleman challenges the prevailing consensus about assisted suicide and reproductive technology, articulating an original approach to the ethics of creating and ending human lives. He argues that assistance in dying is appropriate only at the point where talk of suicide is not, and he raises moral objections to anonymous donor conception. In their place, Velleman champions a morality of valuing personhood over happiness in making end-of-life ...
