The Boot Camp Book along with the prep sessions offered by Ms. Manning proved to be the one-two punch needed for my son to raise his SAT scores by almost 300 points from the start of the program. While this increase was great for helping my son get into the colleges he wanted, the best part was the scholarship that was offered solely due to the increase in his SAT scores. There is definite value in investing in a book, prep classes and time for student study, when the payoff will ...

Boot Camp is easy to understand and well written. The Math section helped because it includes exactly what's on the test. (I missed only one problem in the Math section!) The Vocabulary words are helpful. Many of the "Top 100 Words" were on the test. Compared to the cost of [an] SAT prep course this book is excellent value." -W.K., Orange County, CA

Brain Boot Camp. Several months ago I received a call from the Longevity Center at UCLA. They were offering a Brain Boot Camp session for People with Parkinson's at a discount. Would I be interested in organizing it for my group? I sent an email out and got a great response from the LA based Parkie's on my list. So much so that we had to schedule a second session to accommodate everyone ...
