

CREATIVE FAMILY THERAPY TECHNIQUES PLAY ART AND EXPRESSIVE ACTIVITIES TO ENGAGE CHILDREN IN FAMILY SESSIONS

Dec 02, 2020

[Creative Family Therapy Techniques Play Art And Expressive Activities To Engage Children In Family Sessions](#)

Techniques that are fun and engaging help to minimize resistance and involve the family in therapy. Colored Candy Go Around(Arkell, 2010) is a creative and playful activity to use with families in initial sessions. Small colored candies are needed for this activity, such as Skittles or M & M's. Distribute seven candies to each family member.

Although I tend to use art therapy more with individual clients, I have lately had more opportunities to use art in family therapy, leading me to think more about family-focused interventions. One of the art therapy interventions that I learned as a graduate student at Loyola Marymount University was verbal and nonverbal joint family drawings.

Art therapy goes above and beyond coloring and manipulating play-doh, and includes activities such as drawing pictures, writing stories and poems, choreographing dances, and writing and performing plays. These can occur in private therapy sessions as well as in group settings, allowing children the opportunity to work on their social communication skills.

Play therapy works by allowing children sessions of "free play" or "unstructured play" whereby they often expose vulnerabilities and anxieties as they go. A play therapist will observe the child playing with toys and note any recurring themes that may stem from trauma or anxiety. They can then guide the child in therapeutic activities to help them deal with whatever issues they may be ...
