2. WHAT IS FASHION?
 Fashion is the accepted day to day way of dressing at a given time. If you see everyone wearing the same color or style when they have not been the trend before, such is "in-fashion."
Never has and never will
Fashion is the total outlook of an individual of today and only for today. Though fashion evolves and some styles come back, it only apply for "now ...

Presentations can sometimes be a bit underwhelming, but the lack of spectacle lends itself to closer examination of the clothing. While we understand, sometimes the lack of creativity bums us out — presentation is everything, after all. Collina Strada totally gets it, which is why they punctuated Milk Studios with an enormous cotton-candy colored sculpture that infused the showroom with an ...
