I'm glad that these Creative Haven books have single-sided printing. The paper is only a little heavier than copy paper. Colored pencils work fine, but any wet media will cause bleeding through and/or buckling. As I like to use mixed media, I've learned to embrace crunchy pages in my books. This is the first picture I've completed.

I enjoy reading fantasy books and I've always loved fantasy-themed artwork. The characters in these designs are just as I picture them in fables and fairy tales of the original, not the Disney versions. The book includes unicorns, wizards, fairies, gnomes, giants, mermaids, and dragons. So, a little bit of everything in a variety of settings. The amount of detail varies, but none of the ...

I love this colouring book and the style of the designs. There are lots of patterns involved into each picture but not super, super intricate tiny shapes. I prefer the style of the Creative Cats book because I find the designs in some books, while lovely, are just too busy for me to find relaxing to colour.
