[Incredible Insects: Designs by Christopher Marley Coloring ...](#)

Some are quite intricate, but others have larger areas to color similar to stained glass coloring books. The only complaint really is that my book had one duplicate image. Also, the web page description is incorrect in that there are not any colored images included as stated. There are all sorts of insects including butterflies, a praying mantis, flowers, and even a spider. Beautiful.

Creative Haven colouring books are always an excellent choice for the same reasons: single side print pages, that are perforated for easy removal, medium weight paper that responds well to a variety of mediums, and priced to be able to usually get two. One to colour in, and one to save to colour in at a later date in time.

Marjorie Sarnat is the author and illustrator of Dover's bestselling Creative Cats Coloring Book and Owls Coloring Book as well as more than a dozen other books on art and creativity. The Chicago native is an award-winning mixed-media artist whose fanciful coloring book style evolved from her love of patterns, which she developed in the course of her work as a textile designer.

[Coloring Books | BLICK Art Materials](#)

I enjoy reading fantasy books and I've always loved fantasy-themed artwork. The characters in these designs are just as I picture them in fables and fairy tales of the original kind, not the Disney versions. The book includes unicorns, wizards, fairies, gnomes, giants, mermaids, and dragons. So, a little bit of everything in a variety of settings. The amount of detail varies, but none of the ...
