Curse of the Gargoyles (Gargoyle Guardian Chronicles #2) by Rebecca Chastain is the second book in the series but could be read without reading book one and the reader would do fine. Our gal, Mika, is now working as a healer of gargoyles. She is called to a special project that could take away her powers if she takes her job and makes a mistake and it could kill the gargoyle. She could also just pass on the job. She just can't do that. What happens is something no one expected and now the whole

The conclusion of the three arced novelettes: starting with Magic of the Gargoyles, and Curse of the Gargoyles, there is nothing left to the imagination... well there is but the reader should discover it on their own. Coming out of Tiny Glitches, and the proceeding two novelettes, Rebecca Chastain once again delivers a warm, precariously perky (and sometimes just dangerous) story in the same ...
