Curse of the King is a book with a great concept that I think needs a little more detail with character development and slower plot pacing to really allow all of its good to shine. I'd recommend it to anyone who enjoys paranormal fiction or likes a story filled with action. Vandara Curse and Being King

Curse of the King was an amazing read! Not at all like other werewolf type stories. Very urban, new and exciting! Loved the storyline, fight scenes and love story. This book has just enough for every type of reader! The ending even gives you a little taste of what's to come in the next book. Can't wait for more from this author and more from this series.
