And despite an infusion of 30,000 new American troops to Afghanistan in the past year, mimicking the U.S. surge in Iraq in 2007, the Taliban has grown stronger. As a result, the security situation has deteriorated and Afghanistan is now more dangerous than it has been in years. "Afghanistan is a trap for the [western forces] that are there," Alain Juppe, the French defence minister ...

The intervention in Afghanistan was clearly a war of choice for the Soviet Union, and there were geopolitical drivers as the Cold War competition dominated international relations. The harder question to answer is whether the Soviet intervention was inspired more by perceptions of geopolitical defense or offense. Much of the U.S. commentary at the time, especially in more conservative circles ...

In his farewell speech as President in 2014, Karzai blamed the US for the fact that his country was still at war. "Today, I tell you again that the war in Afghanistan is not our war, but imposed on us and we are the victims," Karzai said. "One of the reasons was that the Americans did not want peace because they had their own agenda and ...
