[King Of Fools Amanda Foody](#)

"King of Fools takes up the elaborate, masterfully woven threads Foody crafted in Ace of Shades and spins a mesmerizing sequel that takes this world—and these characters—to the next level. Elegant prose and rising tension beckons readers into New Reynes' black heart as they follow Levi and Enne's efforts to make the City of Sin their empire instead of their undoing. Readers, beware—once you start, you'll be turning pages long into the night." –

I follow Foody on Twitter and for months, she's been tweeting about this girl gang from King of Fools and I was very excited to meet them all and they didn't disappoint! They were all very fierce women and I loved all of them. I am very, very excited to read more about them in book 3 where their arc will hopefully continue to grow as it goes. One of my favourite things in books is a solid girl ...
