Captain Church [militia leader in King Philip's War] was in two particulars much advantaged by the great English army that was now [1676] abroad. One was, that they drove the enemy down to that part of the country, viz., to the eastward of the Taunton River, by which means his business was nearer home. The other was that whenever he fell on with a push upon any body of the enemy (were they ...

With the end of King Philip's War, efforts to integrate colonial and Native American society effectively ended and a deep resentment took hold between the two groups. The defeat of Metacomet broke the back of Native American power in New England and the tribes never again posed a critical threat to the colonies. Though badly injured by the war, the colonies soon recovered the lost population ...
