Executive Summary. The Tax Foundation's State Business Tax Climate Index enables business leaders, government policymakers, and taxpayers to gauge how their states' tax systems compare. While there are many ways to show how much is collected in taxes by state governments, the Index is designed to show how well states structure their tax systems and provides a road map for improvement.

The Value of Marketing Finance, operations, accounting, and other business functions won't really matter without sufficient demand for products and services so the firm can make a profit. In other words, there must be a top line for there to be a bottom line. Thus, financial success often depends on marketing ability. Marketing's value extends to society as a whole. It has helped introduce ...
