'In a superb book called Nickel and Dimed, soon to be published in Britain, the journalist Barbara Ehrenreich sets off to find work as a cleaner or waitress in various American cities, and to live off her wages. Of the many disturbing aspects of the book, perhaps the most eerie is her experience of disappearing. In her new role, she can no longer find a reflection of herself on TV or radio or in magazines, and even in real life, people literally cannot see her' Decca Aitkenhead, Guardian 'In ...

Nickel and Dimed (2001) offers a first-hand account of low-income life in America. The author went underground to learn why a huge number of hard-working people must struggle to earn enough money to live a comfortable life, eat decent food and afford the most basic shelter. We may take them for granted, but the people earning the minimum wage are the nation's backbone, serving our food, cleaning up after us and stocking the supermarket shelves.
