When used with a particular meaning, these nouns are usually countable. We had a nice time when we went to the beach yesterday. (countable) I couldn't finish the report because I didn't get enough time. (uncountable) Plural uncountables. Some uncountable nouns are plural. They have no singular forms with the same meaning, and cannot be used ...

Some collective nouns may take either a singular or a plural verb, depending on their use in the sentence. Collective nouns can be tricky because it is up to the author of the sentence to determine whether the noun is acting as a single unit, or whether the sentence indicates more individuality. In your first example, "India has a team of players who are dedicated," the team of players are ...

A brief history of singular 'they' Singular they has become the pronoun of choice to replace he and she in cases where the gender of the antecedent – the word the pronoun refers to – is unknown, irrelevant, or nonbinary, or where gender needs to be concealed. It's the word we use for sentences like Everyone loves his mother.. But that's nothing new.

[A Short Description of Old English](#)

We do not inflect collective nouns into the plural for them to take on their collective sense. Nonetheless, equipments also exists as a word, just with a non-collective meaning. Most of the answers you have here are wrong. You have not given an example set of sentences, so there is no way to tell whether you want a singular collective sense or not. – tchrist ? In the classic English teaching environment, the role of the informant has been relegated to the teacher. Although some schools employ native English speakers as informants, giving them a title like "auxiliary teachers," being a true informant sometimes takes a back seat in English teaching. Combining the classic linguistic term with the active need for information in language teaching ...
