The change in legal affairs for the indigenous was a result of the change in rights and freedoms. Throughout the 19th century white settlers moved the Aboriginal people off their land and into reserves. This resulted in Aboriginal people experiencing dispossession, which meant that they didn't exist. In the early 1970s the Whitlam government began to work on

That was especially the case for A Portrait because, by contrast with Joyce's other published works, the book's title and many details of the central character's life invite an autobiographical reading. If the title were attached to a painting, one by Rembrandt, for example, who painted himself in many poses and costumes over the course of his life, the work would be a self-portrait of the ...
