The work of Eman Abid is replete with the language of hopefulness, aspiration and wonder, and with an obvious love for the endless possibilities of life itself. Her work is, indeed, about the symphonies of life composed every day, by the high-born and the humble of this world. Each human composition is made of moments of deep contemplation, times of simple pleasure, or points where we find ourselves between a rock and hard place. These very moments are the stuff of life, and Eman's work ...
