Employing aesthetic ideas that range from the ancient Greeks to contemporary research in the black English oral tradition, The Aesthetics of Toni Morrison shows the potency of these ideas for interpreting Morrison's writing. This is a force Morrison herself has often suggested in her claims that Greek tragedy bears a striking similarity to "Afro-American communal structures."

Toni Morrison's Beloved: 'Unspeakable Things Unspoken' Spoken In Beloved (1987), Toni Morrison powerfully deconstructs the master-slave narrative by speaking about two "unspeakable things unspoken"1 in the bulk of American literature and hitherto marginalized in American history: the horror of the Middle Passage and the horror of slavery. In one brilliant stroke, Morrison in Beloved does away ...

Toni Morrison interrupted work on Beloved during the winter of 1985/1 986 to complete her play, "Dreaming Emmett." The play, which revises the story of the murder of Emmett Till, explores how race continues to function as a limit in African American life in the 1980s, even though racial exclusions took on a different guise from that of the 1950s. [i] This interruption in the production of ...

### [Notes on Contributors - JSTOR Home](#)

When Toni Morrison died last year, the United States lost not only its finest novelist of the last half-century but one of its most forceful moral intellectuals. In essays and speeches, Morrison fleshed out the unifying thesis of her fiction, that of foregrounding the voices consciously omitted not merely by history but literature, and of considering the ways that rectifying the aesthetic ...
