The Calling of Emily Evans is a wonderful read. This is a book that this reviewer feels every young Christian woman should read. Emily herself is a remarkable character. She always puts God first, and this is not easily done for any person especially a young woman on her own. She trusts that God will always provide for her no matter how low on food or how small her allowance is. Emily is what every Christian aspires to be. Janette Oke has written another magnificent story.
