The Feast of San Gennaro is an Italian-American festival. Originally a one-day religious commemoration, the festival was first celebrated in the United States in September 1926, when immigrants from Naples congregated along Mulberry Street in the Little Italy section of Manhattan in New York City to continue the tradition they had followed in Italy to celebrate Saint Januarius, the Patron Saint of Naples. His feast day is September 19 in the liturgical calendar of the Roman ...

This book is obviously a personal account in photographs of The Feast in 1971. They should be on coated paper, but Amazon only uses uncoated – so quality is what you would expect, not great but not horrible. Photos are mainly portraits of people who worked the festival: they are innocent poses from an innocent age, black & white, no Lightbox or manipulation. 50 portraits from 1971, and another 16 taken on Mulberry Street in 2018 as a contrast. Plus a brief history of The feast ...

San Gennaro is the patron saint of Naples, Italy and his feast day is September 19th. Back on September 18th, 1926, new Neapolitan immigrants held the first Feast of San Gennaro in America, similar to the one they held in Italy. This one-day celebration turned into an 11 day event (I can't find when that exactly happened) spanning Mulberry Street in NYC.
