The Indifferent Stars Above traces the footsteps of Sarah Graves, a young bride who left her home in Illinois in the spring of 1846, bound for California. Along the way, she and her new husband became members of the notorious and ill-fated Donner Party and ran into a world of trouble. Sarah's story is among the least known but most compelling aspects of the Donner Party tragedy.

The Indifferent Stars Above is simply an amazing piece of nonfiction. I'm a California native and have known about the Donner Party forever. "Oh, yeah, those are the dopes who waited too long to cross the Sierras in winter. They got stuck in the snow and ended up eating each other to survive." But that isn't ALL that happened. They were betrayed by someone they trusted and took an untried road ...
